Official welcome

On behalf of the city of Brisbane, Australia's New World City, I warmly welcome you to the 2015 Asia Pacific Cities Summit and Mayors' Forum (#2015APCS).

Brisbane's economic agenda is firmly focussed to increasing our ties with the Asia Pacific. The rapid growth and urbanisation in this region presents extraordinary opportunities and some challenges that must be met with leadership, forethought and innovation.

At #2015APCS, I look forward to deepening the dialogue on 'business and leadership in the Asia Pacific' examining the issues facing our cities and developing solutions that can be implemented across our region now and in the future.

2015 marks the tenth occasion that the Summit has been staged since it was established in Brisbane nearly two decades ago.

This year I have the pleasure of welcoming leaders of business and government from over 130 cities, many of whom will attend for the first time from across Australasia, Asia, the Middle East, Europe and the Americas.

I welcome the strong interest shown in this year's Summit and would encourage you to make the most of this opportunity to connect with mayors and delegates, to widen your international network and harness potential business opportunities.

Thank you for your participation in this important event.

Graham Quirk
Lord Mayor of Brisbane,
Queensland, Australia

Welcome to Brisbane, Queensland and the 2015 Asia Pacific Cities Summit and Mayors' Forum. Brisbane shone brightly hosting the G20 Leaders Summit

last November and the world saw the great economic opportunities we have here in Queensland. 2015APCS is another significant opportunity to showcase Queensland on a global stage and that's why the Queensland Government is proud to be a longstanding partner of the Summit.

The Asia Pacific region is recognised as the world's economic powerhouse and one of the fastest growing markets. Queensland's close proximity to Asia and our deep and long-standing ties – cultural and commercial – with countries in the

region offer endless opportunities. This Summit will help strengthen and highlight our position as an active and important global business partner.

Queensland has faced many issues and challenges created by rapid growth and the demand it creates for transport and social infrastructure in particular. As a result, we have become a leader in developing innovative solutions and our firms have significant expertise in transport design and construction, city planning and other social infrastructure in Australia and around the world.

We wish you a successful visit to Queensland and look forward to building our relationships into the future.

Anastacia Palaszczuk
Premier of Queensland

HOST OF THE
2015APCS
& MAYORS' FORUM

Looking to invest in Brisbane?

Brisbane Marketing's Investment Attraction division is the city's experienced and world-class inward investment team.

Our dedicated and experienced team work with investors to determine how Brisbane connects into their future growth strategy for the Asia Pacific region, providing strategic market entry advice, relevant market information, critical introductions, extensive networks to the private sector, government and academia, talent and labour analysis, property solutions and advice regarding grants and incentives.

2015APCS host city

Brisbane is recognised as one of the fastest-growing regions in Australia, driving Queensland's economic growth. A sophisticated modern economy, cultural diversity and world-class industry capabilities support Brisbane's growing influence as a serious player in the Asia Pacific region and reputation as a global investment destination.

Brisbane's rapidly growing global reputation as a city of opportunity was affirmed by the successful hosting of the 2014 G20 Leaders Summit. As Australia's New World City, Brisbane offers opportunities across a diverse range of industries from science and innovation; mining and resources; technology; education and cultural attractions. Brisbane has a vibrant and entrepreneurial business community, firmly connected

to global markets. Governed by the largest municipal council in Australia, Brisbane offers an open, supportive, stable and cost-competitive business environment and is committed to strengthening opportunities for international trade and commerce.

Developing further as a New World City, the next chapter in Brisbane's economic development strategy is firmly focused on the global economy and aims to drive job creation, city-shaping, quality of life for residents and research and education expansion.

About 2015APCS

BUSINESS AND LEADERSHIP IN THE ASIA PACIFIC

As a new wave of innovation and global development emerges, the economic gravity progressively shifts south and east towards the Asia Pacific; a highly dynamic region experiencing rapid growth and urbanisation. This brings forth both opportunities and challenges for the global community to embrace.

International government and industry experts will address critical issues affecting cities under the following program themes.

GLOBAL CITIES – cultivating talent, technology, and trade

Globally fluent cities embrace talent, technology, and trade. How can cities thrive economically through investments in workers, innovative firms and industries, and global engagement?

FUTURE CITIES – developing cities and smart communities

How will cities tackle the challenges caused by increasing urbanisation? How should cities manage resilience, food supply, water security, sanitation, security and education?

DIGITAL CITIES – the science and technology behind cities

The smarter and better-connected cities of the future will fully utilise a range of technologies to enhance environmental, social and economic performance. How can cities of today improve our housing, heritage, transportation, communications and city governance by embracing new and emergent technology?

CITIES FOR PEOPLE – clean, green, accessible and inclusive cities

How can administrations manage urban development and population growth in a resource-efficient and environmentally sensitive manner? What creative techniques, policies and technologies do cities have available to improve the quality of life of residents and how can cities create more engaging and inclusive public spaces.

2015APCS Mayors' Forum

Tuesday 7 July, 10.30am-1.30pm
City Hall

A feature of the Summit is the Mayors' Forum. The forum provides a private and exclusive opportunity for the heads of city governments to share knowledge, develop solutions for issues regarding city governance and promote the growth and prosperity of cities across the Asia Pacific region.

The 2015 Mayors' Forum will be facilitated by Alan Berube, Senior Fellow and Deputy Director and Marek Gootman, Director of Strategic Partnerships and Global Initiatives of the Brookings Institution Metropolitan Policy Program (Washington).

The Mayors' Forum is by invitation only.

Meet@APCS – a place to gain business opportunities

Whether your interests are business-to-government, government-to-government or business-to-business, Meet@APCS will connect you to delegates with like-minded strategic interests.

MEET@APCS NETWORKING LOUNGE SPONSORED BY UQ BUSINESS SCHOOL

Located in the Plaza Gallery, adjacent to the APCS Market Square exhibition and interactive space, the Meet@APCS Networking Lounge is sponsored by UQ Business School.

The networking lounge will be the scene of networking for delegates with similar industry interests with refreshments served. By invitation only.

The Meet@APCS networking lounge, also provides lounge spaces for meetings. Meeting spaces can be booked with the Meet@APCS Concierge located in the lounge. Meeting spaces will be provided in 30 minute blocks, subject to availability, with the compliments of 2015APCS from 8.30am-5.30pm on Monday 6 to Tuesday 7 July.

There are also cafés in the Brisbane Convention and Exhibition Centre and nearby at South Bank where you can meet in a more informal setting.

POWER SESSIONS

Attend interviews led by Trade and Investment Queensland, Chamber of Commerce and Industry Queensland and Brisbane Marketing on a range of trade, investment and business-related topics. Power sessions will be held during morning and afternoon tea breaks on Monday and Tuesday at the #teambne stage in the Brisbane Café, in association with Bloomberg. Open to all delegates.

2015APCS MOBILE APP, SPONSORED BY TRITIUM

Use the 2015APCS app to profile your organisation and increase your connections. Set up your own targeted business development meetings with business and government delegates from across the Asia Pacific using the 2015APCS app. The app has been designed to make your time with us more engaging by keeping you connected with 2015APCS at all times. Don't forget to download the 2015APCS app on Windows, Android and Apple iOS.

APCS MARKET SQUARE

The APCS Market Square is the hub of 2015APCS. It is an interactive space where sponsors and exhibitors will showcase their organisations and network with local, national and international companies and governments. Morning tea, lunch and afternoon tea will be provided here. Open to all delegates.

APCS MEETING POINT, SPONSORED BY ACCIONA

Young Professionals' Forum

Empowering our future leaders for tackling challenges of today

P3-P5, Mezzanine Level, BCEC

The Young Professionals' Forum (YPs@APCS) is an ongoing feature of the Summit and provides an invaluable professional development opportunity for emerging private and public sector leaders from the Asia Pacific aged 18 to 30.

At 2015APCS, Young Professional delegates will be presented with a series of urban challenges relating to the Summit program themes. They will be tasked with finding responses to these challenges which are cost neutral or revenue positive to city governments. These responses will be presented to the Mayors' Forum and to all 2015APCS delegates in a plenary session on Wednesday 8 July.

YPs@APCS is proudly sponsored and facilitated by Griffith University.

DELEGATE NAME BADGES

Registered delegates will be issued with their name badge accreditation at the 2015APCS Registration and Delegate Service Desk.

For security and access reasons, all delegates must wear name badges at all times to enter 2015APCS sessions and events. Security staff may prevent your entry if you are not wearing 2015APCS accreditation.

Name badges are also coded to permit entry to the sessions and events included with your registration.

INFORMATION CENTRE – BRISBANE ATTRACTIONS

For tour information and bookings, entertainment information, brochures, maps, or general visitor advice, please visit the Brisbane Visitor Information Centre at booth 29 in the APCS Market Square.
