OFFICIAL WELCOME

On behalf of Brisbane, I warmly welcome you to this 'Special Edition' of the 2021 Asia Pacific Cities Summit and Mayors' Forum (2021APCS Special Edition).

With Brisbane recently awarded the Brisbane 2032 Olympic and Paralympic Games, our region has a little over 10 years to deliver the infrastructure for growth and plan the legacy for long-term economic, environmental and social benefits.

Our first Olympic bid was in the 1980s when we aspired to host the 1992 Games. Those Games went to Barcelona, another mid-sized yet global city, similar to Brisbane. Fast forward three decades, and we have emerged as a city with growing infrastructure, international trade connections and appeal that will be the first Host City in the world to have a contractual commitment to climate positive Games.

Brisbane is already the largest government organisation in Australia to achieve and maintain carbon neutrality. We know over the next few years we will grow further into a cleaner, greener, smarter, more inclusive and more connected city.

Our region has a strong undercurrent of ambition and determination, and I look forward to steering Brisbane towards a new direction for the Olympic movement.

The coronavirus pandemic, while being a significant challenge, has provided city and industry leaders the opportunity to not only accelerate reform but also to witness how agility, resilience and bold thinking can recalibrate and sustain our cities.

Through the 2021APCS Special Edition, we can help guide our cities towards recovery and learn to embed resilience into urban systems and management as city leaders.

I welcome you to Brisbane, our Olympic City, and the Special Edition of the 2021APCS, our region's long standing and prestigious Summit.

Adrian Schrinner
Lord Mayor of Brisbane

We acknowledge the traditional custodians of the land which is now known as Brisbane. We also pay respect to elders past, present and emerging, and the broader Aboriginal and Torres Strait Islander communities of Brisbane.

Brisbane is a thriving multicultural city, steadily building on its reputation as a global city.

Today, Brisbane is a safe, vibrant, green and prosperous city, valued for its friendly and optimistic people and enjoyable lifestyle. Brisbane benefits from rich biodiversity, and is home to more than 800 species of wildlife, 2500 species of native plants and many thriving areas of bushland, parks and waterways. Often referred to as the River City, Brisbane is built around the winding Brisbane River and is characterised by a warm subtropical climate, outdoor lifestyle, hilly suburban pockets and Queenslander-style housing.

Brisbane is home to vibrant retail and dining precincts from the city to the suburbs, as well as extensive parkland spaces for sport and leisure, festivals, arts and entertainment. Brisbane has a multicultural and linguistically diverse population, with nearly one-third of residents born overseas and 22% speaking a language other than English at home. Its world-ranking universities and education institutes also drew 100,922 international student enrolments in 2020. Brisbane is a global hub in scientific innovation, mining and resources, technology, higher education and cultural attractions. Greater Brisbane has an economy of AU\$182 billion, accounting for 49% of Queensland's and 9% of Australia's economic output.

BRISBANE 2032 OLYMPIC AND PARALYMPIC GAMES

The International Olympic Committee (IOC) has voted and named Brisbane the 2032 Olympic and Paralympic Games Host.

The Brisbane 2032 Olympic and Paralympic Games proposal involved cooperation from all three levels of government.

Brisbane City Council has been a partner in the Brisbane 2032 proposal, starting in 2015 when the Council of Mayors (South East Queensland) agreed to investigate the opportunity as part of our long-term infrastructure planning.

Brisbane will be home to 18 of the 32 Olympic competition venues and key non-competition venues, including the International Broadcast Centre, Main Press Centre and Olympic and Paralympic Games Athletes' Village.

City-shaping projects like the Brisbane Metro, Green Bridges and the transformation of Victoria Park are already underway and will be important infrastructure, ensuring Brisbane is ready for the 2032 Olympic and Paralympic Games.

For more information about the Brisbane 2032 proposal and to learn about the IOC process and how it decides future Host Cities, visit the ***Olympic website***.

ABOUT THE 2021APCS

Special Edition

Conceived at the turn of the century and managed by Brisbane City Council, the Asia Pacific Cities Summit and Mayors' Forum (APCS) is an internationally acclaimed, award-winning gathering of city and business leaders from across the Asia Pacific. For 25 years, APCS has provided significant opportunities for connection, learning and relationship-building between civic and business leaders.

The coronavirus pandemic has forever changed cities and the definition of 'normal'. With an overarching theme of **Redefining Cities through Opportunities and Challenges**, the Summit will address four sub-themes at the core of our cities, their systems and how they function.

HEALTHY CITIES

Strengthening agility, wellbeing and sustainability

VIBRANT CITIES

Celebrating and enhancing creativity, diversity and tourism

CONNECTED CITIES

Redefining connections and movement

INTELLIGENT CITIES

Harnessing and supporting talent, innovation and business

Hybrid event

The 2021APCS is presented as a Special Edition, using the latest technology to provide face-to-face participation for those who can attend in person and immersive, virtual participation options for those who cannot. The inspiring speakers, high-calibre networking opportunities and top-level insights that the 2021APCS Special Edition presents will equip participants to meet the challenges and opportunities of the new world.

2021APCS SPECIAL EDITION MAYORS' FORUM

Ithaca Auditorium, Level 2, Brisbane City Hall
Wednesday 8 September, 1.30-4.30pm
By Invitation only

The coronavirus pandemic has forever changed the landscape of cities. The 2021APCS Special Edition provides attending mayors and deputy mayors with an opportunity to reimagine urban life and economy, and discuss issues affecting all cities with their peers. The 2021APCS Special Edition is the first significant gathering of urban and economic leaders and influencers since the International Olympic Committee (IOC) voted and named Brisbane the 2032 Olympic and Paralympic Games Host. The region has much to discuss.

The 2021APCS Special Edition Mayors' Forum is held live and in person in Brisbane and will be attended virtually by those unable to travel to the Summit physically.

The Forum will be co-facilitated by James Tuma, Group Director of Urbis, and Kate Meyrick, Director of Urbis, and powered by The University of Queensland.

INAUGURAL CITY LEADERS' FORUM

Brisbane Room, Level 1, Brisbane City Hall
Wednesday 8 September, 1.30-4.30pm
By Invitation only

The inaugural City Leaders' Forum is an opportunity for city leaders and senior local government executives from across the Asia Pacific region and beyond to re-emerge from the coronavirus pandemic, network with their peers, share experiences and initiatives of their cities, and learn from one another.

The Forum will provide an exclusive opportunity for city leaders to openly discuss issues affecting our region, cities and the wider community.

The City Leaders' Forum will be held live and in-person in Brisbane and will be attended virtually by those unable to travel to the Summit physically.

MAXIMISE YOUR APCS EXPERIENCE

Five ways to maximise the business opportunities at 2021APCS Special Edition:

1 Arrange meetings – for all delegates

Maximise your Summit participation by arranging meetings with other delegates via the App and virtual platform. This business meeting feature is dedicated to 2021APCS Special Edition attendees, providing an exclusive opportunity to connect with local government representatives, potential partners, investors, clients and suppliers from across the Asia Pacific region and beyond.

2 Speakers' Corner – for physically attending delegates

All audience Q&A will be directed to the Speakers' Corner – located on the Brisbane Verandah, a feature for onsite presenters and physical delegates only. Please attend Speakers' Corner at the scheduled time following each speaker session, where you can directly speak with physically attending Big Picture and Deep Dive session speakers. Virtual delegates wishing to speak to a presenter should connect directly with the speaker via the virtual platform or App.

3 Virtual exhibition – for all delegates

The 2021APCS Special Edition exhibition presents a unique and exclusive opportunity to showcase brands, services and products from sponsors, partners and organisations. The exhibition will be held live and in person at the Brisbane Convention & Exhibition Centre on the Brisbane Verandah. International exhibitors and delegates who cannot physically attend the event will be able to virtually exhibit or visit the exhibition. **Virtual exhibitors will have full access to an online exhibition portal and be able to interact with delegates visiting their virtual booth.**

4 Tendering opportunities – for all delegates

Attendees will have access to the local governments' tender portal details in a combined document which will provide all APCS participants with access to project tenders and EOLs in cities represented at the 2021APCS Special Edition.

5 Project Showcases – for all delegates

Project Showcases align with the sub-themes of the Summit and are held on Thursday and Friday. Delegates will hear from industry leaders and experts about innovative and major transformational projects underway in Brisbane.

Project Showcases

Thursday 9 September 2021 OLYMPIC LEGACY AND OPPORTUNITIES

Brisbane has recently been announced as the Host City of the Brisbane 2032 Olympic and Paralympic Games. This session will provide you with the opportunity to hear first-hand from mayors of Olympic and Paralympic host cities. This panel session will be a unique opportunity to hear from city leaders about their approaches to the Games while looking towards the 2032 Games in Brisbane.

Friday 10 September 2021 BRISBANE METRO

Learn more about Brisbane Metro, the city-shaping project that uses a unique contracting and delivery model, bringing together government, construction, engineering and manufacturing leaders to deliver transport solutions for our growing city. Hear firsthand from Councillor Ryan Murphy, Civic Cabinet Chair for Transport and industry experts, including Council's project partners, ACCIONA Construction Australia and Arup. Get an in-depth look at the planning and construction challenges and opportunities for this project as it commences major construction around Brisbane's inner city.

DESTINATION GREATER SPRINGFIELD

AUSTRALIA'S NEWEST EMERGING CITY

Orion Lagoon Springfield Central

Globally recognized as the World's Best master planned community, Greater Springfield is located in one of the fastest growing regions in Australia. With more than \$18 billion invested to date, it is the only privately owned master planned development in the country. Touted by former national leaders as a project of national significance, Greater Springfield continues to be a thriving hub of economic growth.

As master planners of this emerging city, Springfield City Group enjoy successful partnerships with all levels of government as well as major organisations including Mirvac, Lendlease, Mater Group and ENGIE.
