Dedicated to a better Brisbane

AN INVITATION

A message from the Lord Mayor

It is with immense pride that Brisbane will host the 2023 Asia Pacific Cities Summit (2023APCS) & Mayors' Forum from 11-13 October.

Poised to take its place on the world stage as host of the 2032 Olympic and Paralympic Games, Brisbane is a city that is undergoing rapid and strategically planned change. As we lay the foundations for the Games, and a long-lasting Games legacy, the APCS provides an important platform for us to drive and inspire innovation in our region.

In its history, the APCS has established itself as an internationally renowned event that is a true catalyst for change. Centred around planning better futures for our cities, the APCS unites representatives from around the world to share ideas and aspire to create better and more sustainable futures for our regions.

2023 will mark the 14th edition of this global event, which traditionally draws the largest and most diverse gatherings of more than 1000 mayors and delegates representing over 130 international cities.

As cities around the world re-emerge and re-engage with their global counterparts following the coronavirus pandemic, there has never been a more important time to improve our resilience, create new networks and build brighter futures.

Together, the APCS contributes to a stronger and more dynamic Asia Pacific region, and I look forward to your participation in the 2023 Asia Pacific Cities Summit and Mayors' Forum.
